

BPA Energy Efficiency Weekly Announcements

August 1, 2024

General

BPA Low Income Energy Efficiency Workgroup Resumes

The next BPA Northwest Regional Low Income Energy Efficiency Workgroup meeting is scheduled for Thursday, Aug. 8, from 9 a.m. – 2:30 p.m. PDT in Portland, Oregon in the BPA Rates Hearing Room with a remote access option. If attending in-person, please join us early for coffee and networking beginning at 8:30 a.m. The workgroup will discuss topics impacting regional utilities, community action agencies, and other stakeholders. The agenda and related presentation materials will be available soon....[More](#)

Comfort Ready Home: New HVAC Best Practices Workshop Available

BPA's Comfort Ready Home program is pleased to announce a free, hands-on contractor training available to you and your HVAC contractor network. This workshop covers utility rebate programs and best practices in designing, commissioning, and installing residential heat pump systems. If your utility contractor network is looking for a comprehensive heat pump training, please contact your EER or [Comfort Ready Home field specialist](#) to schedule an in-person workshop in your area.

BPA Momentum Savings and Market Research Quarterly Call Canceled

The BPA Momentum Savings and Market Research team is canceling the Aug. 7 quarterly call. The next quarterly call is scheduled for Nov. 6. For more information or to add the call series to your calendar, visit [Calls - Bonneville Power Administration \(bpa.gov\)](#).
