

## BPA Energy Efficiency Weekly Announcements

### October 2, 2025

#### New

##### **Energy Efficiency Implementation Manual 2026-2027 - Effective Oct. 1**

BPA's Energy Efficiency Implementation Manual 2026-2027 is available on [bpa.gov](https://bpa.gov) and effective Oct. 1. Energy efficiency representatives (EERs) are available to answer questions.

---

#### Events

##### **BPA Webinar: Reporting Residential Measure and Income Qualified Repair Costs**

Please join BPA Oct. 2 from 10-11 a.m. (PDT) to review and discuss two recently published guidance documents titled [Guidance for Reporting Residential Costs in BEETS](#) and [Income Qualified Repair Cost Reference Table](#). Both documents are in the [Document Library](#) under the Residential Sector section and provide additional information about reporting Residential costs and the eligibility of certain Income Qualified repairs...[More](#)

---

##### **Northwest Regional Energy Efficiency Income Qualified Workgroup**

Please join BPA's Northwest Regional Energy Efficiency Income Qualified Workgroup Oct. 6, from 9 a.m.-noon (PDT) to discuss priority topics impacting regional utilities, community action agencies, and other stakeholders...[More](#)

---

#### General

##### **Online Lighting Calculator Update**

[Online Lighting Calculator Program Offerings FY 2026-2027](#) is now available, and rates will be available in the OLC starting Oct. 1, 2025...[More](#)

---

##### **BPA Energy Efficiency Tracking System Blackout Period**

BPA Energy Efficiency Tracking System (BEETS) will shut down from Thursday, Sept. 25 through Friday, Oct. 17, 2025, to make necessary system updates for the upcoming rate

---

period. BEETS may go live earlier if the system updates are completed sooner than expected.

During this time:

- All activity in the system will pause, including invoicing current applications, completing application tasks, and submitting new applications through bulk or manual upload.
- Current rate period dashboard information will not be available.
- All Activity Report and Invoice Detail Report information will remain available.

As BPA implements updates, energy efficiency representatives (EERs) are available to answer questions.

---

### **End of Rate Period Tentative Deadlines**

The end of rate period [tentative deadlines](#) for review and invoicing in BEETS for fiscal year (FY) 2025 are available on the [Energy Efficiency Important Dates](#) webpage. Dates are subject to change, please check the webpage for updates.
