

Comfort Ready Home Webinar: Community Engagement Strategies

When: June 18, 2026

Time: 10-11 a.m. (PDT)

Meeting Information:

Join BPA's Comfort Ready Home (CRH) program on June 18 from 10-11 a.m. (PDT) for a success-spotlight webinar designed specifically for utility representatives. Learn effective strategies to engage residential customers in energy conservation programs that drive home efficiency upgrades.

In this session, featured speakers from utilities and the CRH program will provide unique insights that will help fellow utilities enhance participation, deepen community engagement, and maximize program impact. Don't miss this opportunity to connect with peers actively working to advance residential energy conservation initiatives.
