

BPA Webinar: Income Qualified Single Family New Construction Measure

When: August 27, 2026

Time: 10-11 a.m. (PDT)

Meeting Information:

Join BPA's Residential Income Qualified team for a webinar on Thursday, Aug. 27 from 10-11a.m. (PDT) to learn more about the new Income Qualified Single Family New Construction measure. BPA staff will share details about the measure including implementation requirements, specifications, documentation requirements, payments, and savings. Effective Oct. 1, 2026, this measure will only be available in Washington, Oregon, Montana, and Idaho.
