

## BPA Agricultural Energy Audits Auditor Selection Resources

### **NRCS Registry of Technical Service Providers:** [Find A TSP \(force.com\)](#)

- Use the search function on the left side to filter by your state.
  - Keep County set to “all counties”
- Filter by Practice Name: Select “Energy Efficiency Agricultural Operation” in the Practice Name category.

### **OR**

- Filter by Practice Code: Search for TSPs using the following codes:
  - 128 – XX- Agricultural Energy Management Plan
  - 374 – Energy Efficiency Agricultural Operation

### **USDA NRCS:** [Technical Service Providers | Natural Resources Conservation Service \(usda.gov\)](#)

USDA Service Centers are locations where you can connect with Farm Service Agency, Natural Resources Conservation Service, or Rural Development employees for your business needs. Enter your state and county below to find your local service center and agency offices.

**For Oregon Ag Producers Only:** Use the Ag Energy Auditors contracted with the Oregon Department of Energy Rural & Agricultural Energy Assistance Program. Begin that process by navigating to this webpage. [Rural and Agricultural Energy Assistance Program – Interest Form · Customer Self-Service \(powerappsportals.us\)](#)

More information about Oregon Department of Energy Rural and Agricultural Energy Assistance Program can be found here. [State of Oregon: Save Energy - Rural & Agricultural Energy Assistance Program](#)
