

Industrial Technical Services Pool

Last updated: January 7th, 2022

Company	4Sight Energy Group			
Expertise	Compressed air, steam, motors, refrigeration, pumping, waste water, dairy, poultry, swine, irrigation, greenhouses, grain drying, coffee processing, paper board handling, industrial washing, and automotive.			
Address	PO Box 2134, Post Falls, ID 83877			
Contact	Craig Meredith	Phone	208.806.1814	Email craig@4sighteng.com

Company	Abacus Resource Management Co. (Willdan Energy Solutions)			
Expertise	HVAC, compressed air, hot and chilled water systems in pulp and paper, food processing, clean rooms.			
Address	12655 SW Center Street Ste 250 / Beaverton OR 97005			
Contact	Rich Davis	Phone	503.956.2824	Email Rich.Davis@willdan.com

Company	Alternative Energy Systems Consulting (AESC)			
Expertise	Compressed Air, Dust Collection, HVAC, Fans/ Blowers, Food Processing, Pumps/ Pumping Systems, Refrigeration, Boiler Systems and Fans, Water/ Wastewater.			
Address	623 SW Oak Street, Third Floor / Portland OR 97205			
Contact	Brian Lynch	Phone	503.442.0000	Email blynch@aesc-inc.com

Company	Burch Energy			
Expertise	Boiler Systems and Fans, Chillers, Compressed Air, HVAC, Fans/Blowers, Pumps and Pumping Systems			
Address	1150 NE Highway 99 W Ste 1002, McMinnville, OR 97128			
Contact	Kwasi Boateng	Phone	216.712.2309	Email kboateng@burchenergy.com

Company	Cascade Energy, Inc.			
Expertise	Refrigeration, compressed air, pumps, fans, chilled water, and HVAC in industrial facilities. Process-specific energy systems for food processing, pulp and paper, wood products, water/wastewater, and general manufacturing.			
Address	123 NE 3 rd Avenue Ste 400 / Portland OR 97232			
Contact	Alan Moran	Phone	503.928.3211	Email alan.moran@cascadeenergy.com

Company	Compression Engineering Corporation			
Expertise	Provide reviews in any type of facility targeted to compressed air. Includes industrial centrifugal pumping systems and low-pressure blower applications			
Address	872 Country Commons / Lake Oswego OR 97034			
Contact	Tim Dugan	Phone	503.520.0700	Email tim.dugan@comp-eng.com

Company	EMP2			
Expertise	Disposal, boiler, and steam, FEMP projects, municipal water, military bases, and dairies.			
Address	1950 Keene Road Bldg E / Richland WA 99352			
Contact	Steve Durnivant	Phone	509.627.5401	Email steved@emp2.com

Company	Energy350			
Expertise	Industrial refrigeration, HVAC, pumping, compressed air.			
Address	1033 SE Main Street / Portland OR 97214			
Contact	Phillip McNamara	Phone	503.886.9745	Email phillip@enegy350.com

Company	Energy Infrastructure Partners			
Expertise	Strategic Energy Management, Boiler Systems and Fans, HVAC, General Manufacturing, Pumps & Pumping Systems			
Address	3721 SE Morrison St, Portland, OR 97214			
Contact	Martin Lott	Phone	971.255.3819	Email martin.lott@energyinfrapartners.com

Company	R&W Engineering, Inc.			
Expertise	Fans, blowers, pumps, general processing, compressed air, breweries and beverages.			
Address	9615 SW Allen Blvd Ste 107 / Beaverton OR 97006			
Contact	Mark D. Jones	Phone	503.292.6000	Email mjones@rweng.com

Company	RHT Energy Inc.			
Expertise	Air handling, blower, boiler, chiller, CHP, compressed air, drives, dust collection, fan, furnace/oven, heat recovery, HVAC, hydraulics, insulation, irrigation, kiln, lighting, motor, pump, refrigeration, steam, transformer, vacuum, and Water/Wastewater.			
Address	1215 Stowe Avenue / Medford OR 97501			
Contact	Scott Scheuneman	Phone	541.770.5884	Email scott@rhtenergy.com

Company	Rogers Machinery Company Inc.			
Expertise	Air compressor systems – targeted to compressors, dryers, receivers, pressure flow controllers, filters.			
Address	14650 SW 72 nd Avenue / Portland OR 97224			
Contact	Jeff Yarnall	Phone	503.639.0808	Email jeff.yarnall@rogers-machinery.com

Company	Swier Engineering LLC			
Expertise	Pulp and paper, Pumps and Pumping Systems, Compressed Air, Boiler systems and fans, general manufacturing			
Address	2714 Northlake Ave, Longview, WA 98632			
Contact	Doug Swier	Phone	360.442.0431	Email swierengineering@gmail.com

Company	VIM Pacific			
Expertise	Compressed air, chillers, Fans/blowers, food processing, general manufacturing, pumps & pumping systems, refrigeration			
Address	PO Box 83904, Portland, OR 97283			
Contact	Claire Cushing	Phone	971.202.1627	Email Claire.cushing@vim-pacific.com
