FOIA/PRIVACY COMPLIANCE PROGRAM

June 17, 2024

In reply refer to: FOIA #BPA-2024-00745-F

SENT VIA EMAIL ONLY TO: PII [REDACTED]

Dale Church

PII [REDACTED]  
PII [REDACTED]

Dear Mr. Church,

This communication is the Bonneville Power Administration's (BPA) final response to your request for agency records made under the Freedom of Information Act, 5 U.S.C. § 552 (FOIA). Your request was received on January 4, 2024, and formally acknowledged on February 2, 2024.

### Request

You seek, "... a list of the bonuses received by all Bonneville Power Administration employed personnel whether they are Federal employees, contractors, or retirees. Please provide their full name, their position title, the amount of bonus."

### Clarification

Via email sent to the agency on January 10, 2024, you limited the listing scope sought to Fiscal Year 2023.

### Amended FOIA Request BPA-2024-00745-F

Via email exchanges with the agency between March 6, 2024 and April 24, 2024, you confirmed that you wanted "[for FY2023] year-end bonus payment and size for the employees who got one."

### Response

BPA searched for and gathered the agency data and information you seek. Subject matter experts (SME) in the agency's Human Resources Service Center gathered 36 pages of data responsive to your request. Those 36 pages accompany this communication with no redactions applied. These records pertain to Federal employees and not contractors. The agency's Supplemental Labor Management Office reports that BPA does not pay for contractor bonuses so BPA does not have any records about contractor bonuses to provide. Contractors are not employees of BPA, so any bonuses paid to them would be between the contractor worker and their employer.

### Fee

There are no FOIA fees applicable to the fulfillment of your request for BPA records.

**Certification**

Note that the records release certified above is final. Pursuant to 10 C.F.R. § 1004.7(b)(2), I am the individual responsible for the records search and release described above. Your FOIA request BPA-2024-00745-F is now closed with all responsive agency records provided.

**Appeal**

Pursuant to 10 C.F.R. § 1004.8, you may appeal the adequacy of the records search, within 90 calendar days from the date of this communication. Appeals should be addressed to:

Director, Office of Hearings and Appeals  
HG-1, L'Enfant Plaza  
U.S. Department of Energy  
1000 Independence Avenue, S.W.  
Washington, D.C. 20585-1615

The written appeal, including the envelope, must clearly indicate that a FOIA appeal is being made. You may also submit your appeal by e-mail to [OHA.filings@hq.doe.gov](mailto:OHA.filings@hq.doe.gov), including the phrase "Freedom of Information Appeal" in the subject line. (The Office of Hearings and Appeals prefers to receive appeals by email.) The appeal must contain all the elements required by 10 C.F.R. § 1004.8, including a copy of the determination letter. Thereafter, judicial review will be available to you in the Federal District Court either (1) in the district where you reside, (2) where you have your principal place of business, (3) where DOE's records are situated, or (4) in the District of Columbia.

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer. The contact information for OGIS is as follows:
