Rates Hearing Room Webex Instructions

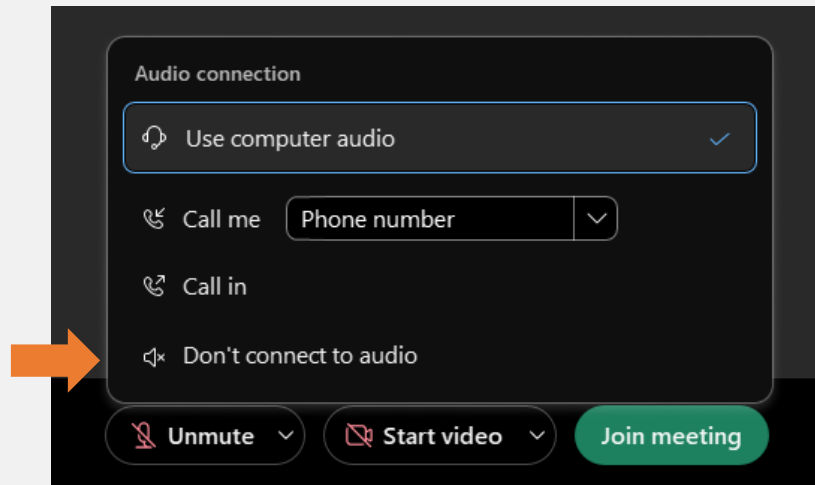

You are welcome to connect to the meeting Webex while in the Rates Hearing Room, but your Webex audio must be fully disconnected (not just on mute).

As you join the meeting, there is an option to adjust your audio settings in the control panel at the bottom of your screen:

1. Click the “Audio: Use computer audio” button.

2. From the pop-up menu, select “Don’t connect to audio.”

If you have already joined the Webex with audio connected:

1. In the Webex control panel for audio, click “Switch Audio.”
2. Select “Disconnect.”
3. You will know you are successful when your control panel shows a button to “Connect.”
