

Provider of Choice Dec. 19 Version of Draft Contract Templates

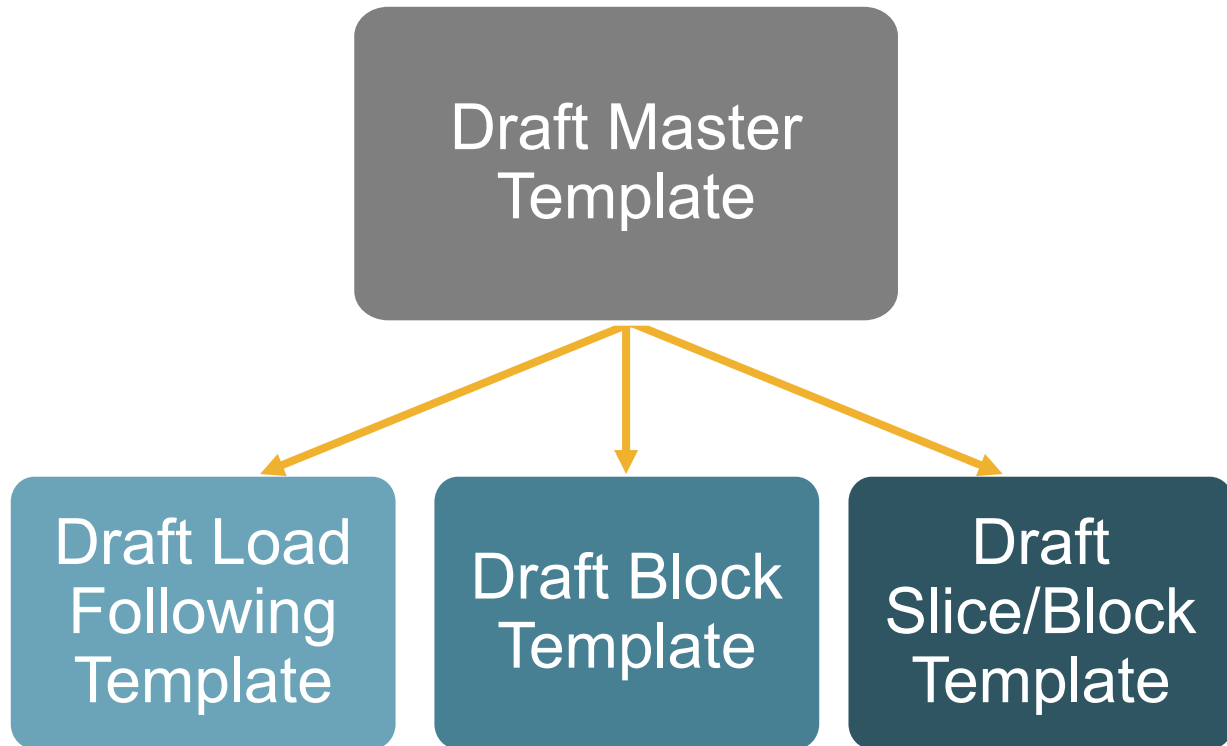

PROVIDER OF CHOICE

**POST
2028**

Dec. 18, 2024

Draft Dec. 19 Template Release: What to Expect

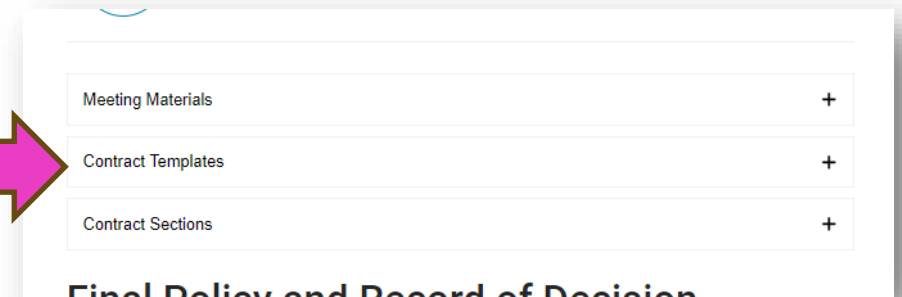

- Four templates.
- All product templates are combined in the Master Template.

Accompanying Documents

- **Contract Comment Tracker**
 - Compilation of feedback on October 31 release and initial response.
- **Redline comparison of October 31 release to December 19 release**
- **RD x POC Crosswalk of Draft Templates**
 - Updated
 - High level what has changed from Regional Dialogue to POC
 - Appended table shows crosswalk of RD to POC contract sections
- **Contract Definitions Edit Tracker**
 - Updates forthcoming

Templates & associated documents live in a “accordion” on the Provider of Choice Website:

Meeting Materials	+
Contract Templates	+
Contract Sections	+

Final Policy and Record of Decision

Templates will include:

1. Sections that have been workshopped and “moved to template”.
2. Sections not yet workshopped. For these, comment boxes will serve as guide in the template.
3. **NEW**: New or revised iterations of sections that BPA has developed but that have not yet been shared at workshop.

Draft Template Review Request

- BPA requests initial feedback on Version 2, Dec. 19th draft templates by **Friday, January 10, 2025**.
- How to provide feedback?
 - Send to post2028@bpa.gov
 - In the draft template(s), use tracked changes (redlines) and comment boxes.
 - Please avoid sending letters if possible.

Review prompts:

- New sections and sections shared at Dec. 18 workshop
- Contract as a whole
 - how do sections fit together?
- Interdependencies & dependencies
- Conflicts

Jan. 21, 22, 23 Intensive Workshops

- Logistics:
 - **Tuesday, Jan 21:** 12pm – 3pm (Note: Different start time than usual)
 - **Wed, Jan 22:** 9am – 2pm
 - **Thurs, Jan 22:** 9am – 2pm
 - The early end time is designed to support afternoon customer meeting time and BPA meeting time to discuss activity/ feedback from that day; bring back into the next day's workshop.
- Content:
 - Will cover sections that are still outstanding (ie. Exhibit F, Scheduling Slice provisions, Energy Storage Devices, JOE provisions).
 - Will use comments received by January 10 to structure a roadmap for intensive workshops.
- Anticipate publishing an agenda for these workshops by January 16.
- In-person attendance encouraged but not required.
- Comments following the intensive workshop are requested to be due by **Friday, January 31.**

Feb. 18, 19, 20 Intensive Workshops

- Logistics:
 - **Tuesday, Feb 18:** 12pm – 3pm (Note: Different start time than usual)
 - **Wed. Feb. 19:** 9am – 2pm
 - **Thurs, Feb. 20:** 9am – 2pm
 - The early end time is designed to support afternoon customer meeting time and BPA meeting time to discuss activity/ feedback from that day; bring back into the next day's workshop.
- Will use workshop markups, feedback, and feedback received by January 31 to structure a roadmap for intensive workshops.
- In-person attendance encouraged but not required.
- This is the last public workshop prior to planned formal comment period, which is planned to start **March 12**.

Thank you.
