To Potential RFO Respondents:

The Bonneville Power Administration (BPA) plans to release a Request for Offers (RFO) on April 22, 2025, with the intent of acquiring power to serve a portion of its Southeast Idaho public utility customer loads. BPA is sending the attached Term Sheet to a broad list of counterparties to provide an outline of the forthcoming RFO. For more background on BPA's Southeast Idaho Load Service, visit: <https://www.bpa.gov/learn-and-participate/projects/southeast-idaho-load-service>.
